

OxyCure™

OxyCure™

PROCESS WATER TREATMENT

100% ORGANIC
100% SAFE
100% EFFECTIVE

- Prevents/eliminate algae in ponds, pipe systems, water plants & reservoirs.
- Drastically reduce clogging of sand filters.
- Eliminate algae growth where gland water leaks on concrete.
- Prevent clogging of pipes & nozzles.
- Prevents and systematically remove scaling and calcification.
- Reduce “sliming” at glands on pumps.
